Club Auction
by Kirk Greiner

The club auction will be held on November 8 at the Niles Country Club, 6601 224th St SW, Mountlake Terrace. You will soon receive an advance invitation. As emphasized at the club luncheon today (8-18-08), the success and the resulting proceeds from the auction will depend on you, the club members, to obtain items of value which are salable - no rubber chickens from your garage please. We need quality items.

Frank, as a down town merchant, said he is asked all the time to contribute something for this or that benefit and, from the merchant's view, this becomes overwhelming. An alternative is to ask the merchant to donate something at cost. Also, to prevent multiple people from soliciting the same merchant, we are establishing a list of club members to indicate who they have solicited and what they have received. Please check this list in obtaining items of value for the auction to avoid duplication in both items and merchants solicited.

Again, while the auction committee can set up the auction operation, the success depends you on getting item of value. Click >>[HERE](#)<< to see the membership list of entities solicited and items obtained.
